

Through Young Black Eyes

Train-the-trainer WORKSHOP

Want to learn
how to use the **TYBE KIT?**

SNAICC is currently offering 2-day workshops

Designed to help you learn how to use the TYBE kit to run your own workshops on family violence, abuse and neglect and helping to keep children in your community safe.

About the Kit!

The Through Young Black Eyes workshop kit was developed to help communities talk about family violence. The Kit focuses on the impacts on children of family violence and abuse.

The Through Young Black Eyes workshop kit is available from www.snaicc.org.au/tools-resources

SUITABLE FOR:

- Family Violence Workers
- Family Support Workers
- Child Protection Workers Facilitators
- Those with previous Group Work experience
- Those wanting to learn how to use the TYBE Kit

Learning Objectives FOR PARTICIPANTS

- To discuss issues in their communities relating to family violence, child abuse and neglect
- To discuss the strengths in their communities which may assist in addressing these issues
- To identify future goals and activities they can undertake in relation to addressing family violence, child abuse and neglect in their communities
- To increase confidence and skills running a workshop using the Through Young Black Eyes Workshop kit, including through:
 - Clarifying the aims of their own future workshop/s
 - Designing a sample agenda for a workshop
 - Discussing the challenges in running workshops and how to overcome them

**WORKSHOPS
AVAILABLE
NATIONALLY!**

**Want to host a workshop
for your organisation?**

**Have a minimum of
12 participants?**
