Instructions

Colour by numbers

Colour in the front cover using the numbers below!

1 - Blue	4 - Green
2 - Yellow	5 - Brown
3 - Orange	6 - Red

Plant your seeds!

Plant seeds in soil, 12mm deep, 50cm apart.

Sow them in early spring. Water well and regularly, they like full sun!

Should germinate in 10-21 days.

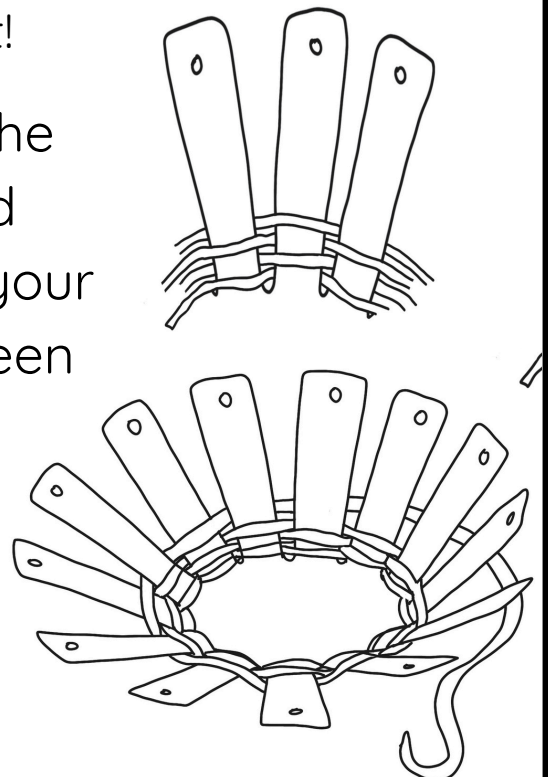

Can be used for jams, jellies or cordial.

Raffia

Use the cardboard stencil and coloured raffia to weave a little basket!

Tie one piece of raffia around the bottom of one of the cardboard rectangle cutouts, then weave your raffia around, alternating between in front and behind.

Once you've finished with the piece of raffia, tie on another and start the process again.

I spy with my little eye...

Get ready for some fun! Colour in the pictures and let's play I Spy together. Look at the objects in the box and give a clue to your friend so they can guess what you see. For example, you might say, "I spy with my little eye something blue!" Then see if your friend can guess what you're looking at.

Self-portrait

A large, empty rectangular box with a black border, intended for children to draw their self-portraits.

Hello, little artists! Today, let's draw awesome self-portraits that show how deadly our culture is and how we're even stronger when we're together!
